INSPIRATION 2015

THE FINE ART OF TABLE SETTINGS

Mank[®]

DESIGNED PAPER PRODUCTS

Inspiration 2015

Gastronomie ist eine Kunst, die noch bemerkenswerter wird, wenn sie in einem passenden und adäquaten Rahmen präsentiert wird. Unter diesem Aspekt sehen wir bei Mank das aktuelle Gesamtprogramm „INSPIRATION 2015“, das wir Ihnen heute vorstellen möchten. Sie als Berater mit direktem Kontakt zu Gastronomie und Hotellerie sehen wir dabei als Kunstexperten, die für den „Rahmen“, also das Ambiente auf dem Tisch Ihrer Kunden, das Beste bieten sollen. Sie liefern also weit mehr, als Ideen: Sie geben der Kunst Ihrer Kunden mit Mank TableTop den letzten Schliff!

Die Unterstützung bei dieser Aufgabe bieten wir Ihnen auch im kommenden Jahr wieder mit vielen neuen Ideen und Produkten an. Mehr noch: Sie werden beim Durchblättern dieses Gesamtprogrammes erkennen, dass der Anspruch, „Rahmen“ zu liefern, bei unseren neuen Motiven, Farben und Zusammenstellungen Programm geworden ist:

„Eleganz aus der Stille“

ist nicht nur ein Motto, sondern ist in nahezu allen neuen Designs präsent. Einfache Linien, klare, zurückhaltende Formen und leichte, ansprechende Farbkombinationen liefern den perfekten Hintergrund für erlesene Köstlichkeiten aus Küche und Keller. Gleichzeitig sind sie aber stark genug, um ihre Wirkung auf den Gast zu entfalten.

Die ruhige, edle Grundstimmung bei der Tischdekoration zeigt sich besonders deutlich bei Motiven, wie ALEXIS, MELINA oder WENCKE. Zartes Grün als Trendfarbe des Jahres und dezentes Blau sorgen für Abwechslung, ohne aufdringlich zu werden. Die neue Zurückhaltung zeigt sich auch in der schlichten Ornamentik: Feine Strukturen kombiniert mit Streifenoptik werden zu einer Einheit, die man so noch nicht kannte.

Abgerundet wird die Mank Kollektion in diesem Jahr durch das Motiv HEIDELBERG, das sich in Braun natürlich und erdverbunden gibt, in Silber jedoch seinen edlen Charakter hervorkehrt.

Nachdem Sie nun den „Rahmen“ für 2015 kennengelernt haben, sind Sie sicher neugierig auf weitere Entdeckungen geworden: Wandern Sie durch die Mank-Galerie und werfen Sie zum Schluss auch wieder einen Blick auf unseren Motiv-Index am Katalogende!

Wir wünschen Ihnen viel Freude und eine Menge toller Inspirationen!

Gastronomy is an art form that becomes even more remarkable when it is presented in the appropriate context. With this in mind, at Mank we have created the complete "INSPIRATION 2015" catalogue, which we would like to present to you today. As a consultant in direct contact with the hotel and catering trade, we see you as an art expert who wishes to provide the best "context", i.e. atmosphere at the table, for your customers. You deliver far more than just ideas: with Mank TableTop, you give your customers' art the finishing touch!

Once again in the coming year, we will be supporting you in this task with a variety of new ideas and products. And there's more: as you will realise when you look through the complete catalogue, our claim to provide that "context" has been translated into new designs, colours and combinations:

“Elegance from the silence”

is not just a slogan, but is present in almost all of our new designs. Simple lines, clear, restrained forms, and light, appealing colour combinations provide the perfect backdrop for exquisite delicacies from the kitchen and wine cellar. However, they are still powerful enough to exert their effect on guests.

The quiet, elegant mood established by the table decoration is particularly evident in motifs such as ALEXIS, MELINA and WENCKE. Delicate green, this year's colour trend, and subtle blue offer variety without being intrusive. This new restraint is also reflected in the simple ornamentation: refined textures combined with stripes achieve a unity such as you have never seen.

This year's Mank collection is rounded off with the HEIDELBERG motif, which is available in natural, earthy brown, or showing off its sophisticated character in silver.

Now that you have seen the "context" for 2015, you will no doubt be curious to find out more: take a wander through the Mank gallery and afterwards have another look at our motif index at the end of the catalogue!

We wish you much pleasure and unlimited inspiration!

Yours

R. Hümerich

Unsere Qualität ist Ihre Visitenkarte

Mank Inspiration steht für professionelle Tischprodukte, die im Hotellerie-, Restaurant- und Catering-Bereich Ihren Einsatzort finden. Wir haben den Anspruch, Ihnen als zuverlässiger und kompetenter Partner zur Seite zu stehen.

Our quality is your business card

Mank Inspiration stands for professional table products for use in the hotel, restaurant and catering sector. We aim to stand by your side as a reliable and professional partner.

Qualität aus Erfahrung

Diese Erfahrung fließt in die Entwicklung und Produktion der Produkte von Mank Inspiration ein. Unser Qualitätsanspruch duldet keine Kompromisse, damit auch Sie keine Kompromisse in Ihrem Anspruch an hochwertige Tischprodukte eingehen müssen. Dies ist ein Versprechen, für dessen Umsetzung wir Tag für Tag alles geben. Eine beständige Weiterentwicklung unserer Fertigungstechniken und Produkte gehört deshalb genauso zu unseren Standards, wie eine ständige und lückenlose Qualitätskontrolle.

Quality through experience

This experience flows into the development and manufacture of Mank Inspiration products. Our commitment to quality brooks no compromise, so that you too never have to compromise when it comes to your desire for top-quality table products. We give our all, day after day, to ensure that we fulfil this promise. Steady development of our manufacturing techniques and products is therefore as much a part of our standards as permanent, constant quality control.

Damals...

Die Firma Mank, im Jahr 1930 von Alfred Mank in Harschbach gegründet, startete ihre Erfolgsgeschichte mit der Produktion von Untersetzerdeckchen und Platzdeckchen und stellte so die Weichen für eine solide Unternehmensbasis, die in den darauffolgenden Jahrzehnten stetig ausgebaut wurde. In dem damals gegründeten Werk werden auch heute noch die Produkte des Mank-Converting Service gefertigt.

Then...

The success story of the Mank company, founded by Alfred Mank in Harschbach in 1930, began with the production of coasters and place mats. This laid the foundations for a solid business which expanded steadily over the following decades. Products for the Mank converting service are still made in the factory established at the time.

...wie heute...

Heute produziert Mank an drei Standorten, darunter das Hauptwerk im Industriepark Urbacher Wald – direkt an der A3 – und schickt ihre Produkte in die ganze Welt. Im Jahr 2000 wurde zusätzlich ein Werk in Pennsylvania/USA errichtet, das den amerikanischen Markt bedient. Die Firma Mank ist im Table-Top Bereich Servietten ein Global Player, der ganz vorn an der Spitze agiert. In punkto Designauswahl, dessen Content ständig von europäischen Designern um die neusten Trends erweitert wird, sind wir führend. Hierbei kann unser Unternehmen, dass damals wie heute als Familienbetrieb geführt wird, auf über 200 qualifizierte Mitarbeiter und einen Maschinenpark von rund 80 Maschinen zurückgreifen, die auf die modernen Anforderungen der Papier-Vliesstoff und Schaumstoffverarbeitung abgestimmt sind. Die Kombination aus modernsten Fertigungstechniken, langjähriger Markterfahrung und einem erfolgsorientierten Team verleiht unseren Produkten eine Qualität, auf die Sie sich verlassen können.

...and now...

Mank Werk Pennsylvania/USA

Today Mank has three production sites, including the main plant in the Urbacher Wald industrial park just off the A3. The company's products are sent all over the world. In 2000, an additional plant was established in Pennsylvania/USA to serve the American market. The Mank company is a global player when it comes to table-top napkins, and one that leads from the front. We are leaders in terms of design selection: our content is constantly being expanded by European designers to include the latest trends. Our company, which is still run as a family business, can fall back on more than 200 skilled employees and a machine park consisting of approximately 80 machines adapted to the modern requirements of paper-fleece fabric and foam processing.

The combination of modern production techniques, years of market experience and a success-oriented team gives our products a quality that you can rely on.

Made in Germany

Wir produzieren unsere Produkte an deutschen Standorten, denn dies gilt nicht umsonst auch weltweit als Synonym für geprüfte Spitzenqualität. Unsere Kunden schätzen die transparenten Produktionsprozesse, den schnellen Support und die Möglichkeiten der Individualisierung – Faktoren, die wir nur durch eine inländische Produktion in dieser Qualität umsetzen können. In unseren drei deutschen Produktionsstätten in Harschbach, Dernbach und Dierdorf fertigen rund 200 Mitarbeiter, unter Zuhilfenahme von ca. 80 Spezialmaschinen, ihre Produkte, die selbstverständlich erst nach einer gründlichen und mehrstufigen Qualitätskontrolle unser Haus verlassen. Wo technisches Equipment an seine Grenzen stößt, realisieren unsere qualifizierten Mitarbeiter in Handarbeit ihre Wünsche und Vorstellungen, denn Flexibilität steht bei uns an erster Stelle.

We manufacture our products at sites in Germany, because it is seen worldwide as a synonym for tested top quality. Our customers appreciate our transparent production processes, our quick support and our customisation possibilities – factors that we are only able to implement in this quality through domestic production. In our three German plants in Harschbach, Dernbach and Dierdorf, approximately 200 employees manufacture their products with the help of about 80 specialist machines. It goes without saying that these products leave the production sites only after thorough, multi-stage quality control. In the areas where technology has its limitations, our qualified staff hand-craft their wishes and ideas, because flexibility is our top priority.

Mank Hauptwerk Dernbach

Mank Produktion Harschbach

Mank Hauptwerk Dernbach

Mank Produktion Dierdorf

Wir drucken nicht nur farbig, sondern denken auch „Grün“.

Qualität nach DIN ISO 9001:2008 zur Sicherheit unserer Kunden! Ein Höchstmaß an technologischem Know-how und Flexibilität garantiert unseren Kunden individuelle Lösungen unter dem Dach eines zertifizierten Management-Systems nach DIN EN ISO 9001:2008

Das Zeichen für verantwortungsvolle Waldwirtschaft

FSC® ist ein internationales Garantiesiegel.

Holz und Papier mit dem FSC®-Siegel stammt garantiert nicht aus Raubbau. Im Gegenteil: es fördert sozial- und umweltverträgliche Waldwirtschaft! Für unsere Kunden bedeutet der Kauf von FSC®-zertifizierten Produkten Gewissheit. Gewissheit darüber, dass im Zuge der Waldbewirtschaftung keine Menschen ausbeutet oder Tiere und Pflanzen gefährdet wurden.

Produkte mit dem PEFC-Siegel stammen nachweislich aus ökologisch, ökonomisch und sozial nachhaltiger Forstwirtschaft. Die gesamte Produktherstellung – vom Rohstoff bis zum gebrauchsfertigen Endprodukt – ist zertifiziert und wird durch unabhängige Gutachter kontrolliert.

Mit dem Erhalt der Euroblume haben wir nachgewiesen, dass unsere zertifizierten Produkte in allen Stufen ihres Lebenszyklus strengste Kriterien hinsichtlich des Umwelt- und Gesundheitsschutzes erfüllen. Konkret bedeutet dies:

- die ausschließliche Verwendung von Holzfasern aus nachhaltiger Holzwirtschaft,
- die strikte Begrenzung von umwelt- und gesundheitsschädlichen Stoffen (z. B. das Verbot von Chlorgas als Bleichmittel),
- ein funktionierendes Abfallmanagementsystem sowie
- eine deutliche Reduzierung des Energieverbrauchs in der Produktion.

Wir gehen neue Wege ...

...für einen Produktionsprozess, der im Einklang mit einem umweltbewussten Handlungsprinzip steht. Deshalb ist unsere gesamte Produktpalette ausschließlich mit Farben auf Wasserbasis bedruckt, die frei von Lösungsmitteln sind. Über eine moderne Abwasserbehandlungsanlage werden diese dann im Anschluss an den Produktionsprozess soweit herausgefiltert, dass das Wasser danach wieder dem normalen Abwasserzyklus zugeführt werden kann.

Zur Umsetzung unserer Verpflichtungen aus der Verpackungsverordnung sind wir dem Dualen System Interseroh angeschlossen.

Unser DPD-Versand erfolgt ausschließlich CO₂-neutral.

Linclass[®]

POCKET-NAPKINS[®]

PEARL COATING[®]

Tissue-Deluxe[®]

Tissue

DRINKSAFE[®] CAPS

We don't just print in colour, we also think "green".

Quality according to DIN ISO 9001:2008 for the safety of our customers! The highest level of technological know-how and flexibility guarantees our customers individual solutions under the umbrella of a certified management system according to DIN EN ISO 9001:2008

FSC[®] is an international seal of guarantee.

Wood and paper with the FSC[®] seal are guaranteed to not stem from overexploitation. To the contrary: it encourages social and environmentally-friendly forest cultivation! For our customers, buying FSC certified[®] products means certainty. Certainty that, in the course of forest cultivation, no people were exploited nor were animals or plants endangered.

Products with the PEFC seal verifiably stem from ecologically, economically and socially sustainable forestry. The entire product manufacturing process – from raw materials to the ready-for-use end product – is certified and monitored by independent experts.

By receiving the EU Ecolabel "Flower," we have demonstrated that our certified products satisfy the most stringent criteria with respect to environmental and health protection throughout their entire life cycle. Specifically, this means:

- exclusively using wood fibers from sustainable forestry,
- strictly limiting materials that are hazardous to health and environment (e.g. banning chlorine gas as a bleaching agent),
- having a functioning waste management system, as well as
- considerably reducing energy consumption in production.

We break new ground ...

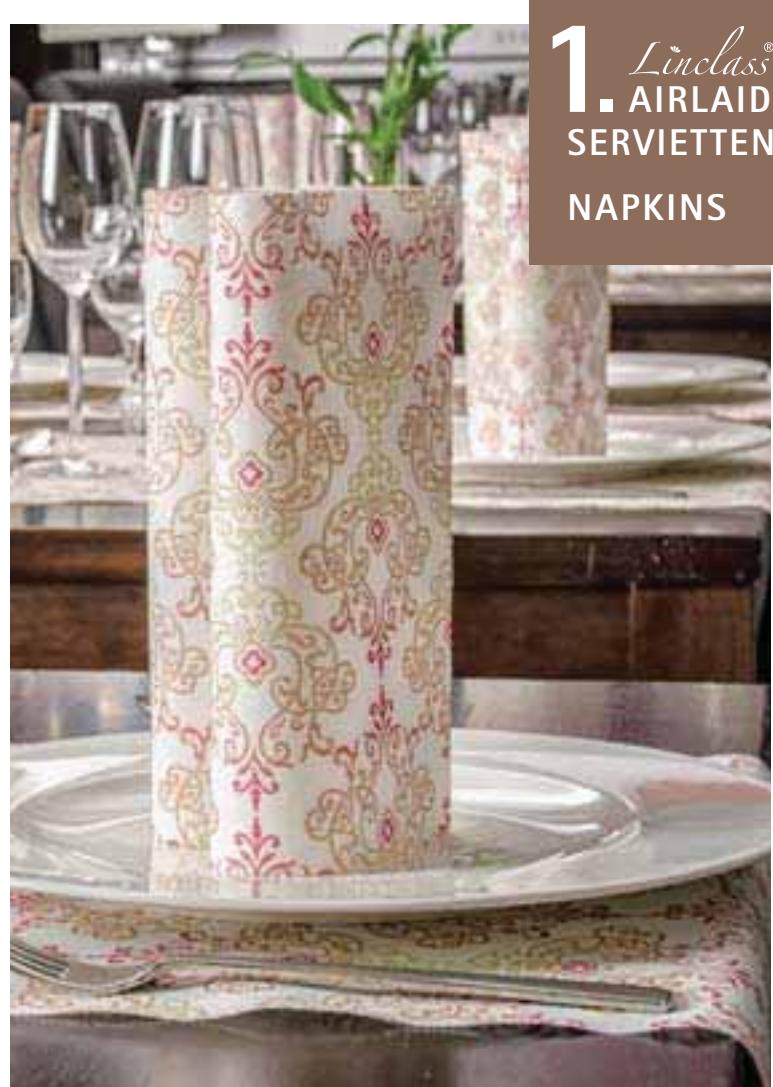

... with a production process in tune with environmentally conscious behaviour. That is why our entire product range is printed exclusively using water-based inks free of solvents. The waste water resulting from our production processes is then passed through a modern waste water treatment plant and filtered to a point where it can then be fed back into the normal waste water cycle.

We are affiliated with the Interseroh dual system for the implementation of our obligations imposed by the packaging ordinance.

Our DPD deliveries are completely CO₂ neutral.

POCKET-NAPKINS

MANK POCKET-NAPKINS®

DIE EINIGE ALL-IN-ONE-BESTECKSERVIETTENTASCHE MIT PATENTIERTEM SCHLITZ.

Simple things are beautiful. Die MANK POCKET-NAPKIN ist eine vollwertige, großformatige Serviette, welche durch die patentierte Schlitzung zusätzlich die Funktion einer Bestecktasche übernimmt. Die Schlitzung hält das Besteck sicher und fest. Gefaltete Produkte des Wettbewerbs erfüllen diesen Umstand nur bedingt. Nicht zuletzt unterscheidet sie sich in puncto Umweltbewusstsein deutlich positiv von Papierbestecktaschen mit separater Serviette.

THE ONLY ALL-IN-ONE CUTLERY POCKET-NAPKIN WITH A PATENTED SLIT.

Simple things are beautiful. The MANK POCKET-NAPKIN is a fully-fledged, large-sized napkin that also takes on the role of a cutlery bag due to its patented slit. The slit holds the cutlery securely and tightly. This is only partially the case with folded products from the competitors. Last but not least, they are clearly and positively different from paper cutlery bags with separate napkins in terms of environmental awareness.

MANK PREMIUM-CLASS

Eleganz in Dinner-Qualität.

Elegance in dinner quality.

80 x 80 cm, 100 x 100 cm & 120 x 220 cm

MANK LINCLASS AIRLAID Tischdecken sind der moderne Textilersatz auch für hochkarätige Veranstaltungen. Die edle, stoffähnliche Tuchprägung des samtweichen und hochsaugfähigen MANK LINCLASS AIRLAID Materials sorgt auf jedem Tisch für entsprechende Furore.

MANK LINCLASS AIRLAID tablecloths are even a modern textile replacement for top-class events. The noble fabric-like cloth embossment of the silky-soft and highly absorbent MANK LINCLASS AIRLAID materials ensures a corresponding furore at every table.

MANK PEARL COATING

Die Fett-, Schmutz- und Wasser-abweisende Beschichtung reduziert den Tischwäschechsel auf ein Minimum. Ähnlich wie bei einem Lotusblatt Schmutz und Wasser abperlen, so unempfindlich reagiert auch MANK PEARL COATING.

- Keine Wasserränder mehr
- keine unappetitlichen Fettflecken
- erhöhte Strapazierfähigkeit

The grease, dirt and water-repellent coating reduces table cloth changing to a minimum. Similar to how dirt and water roll off a lotus leaf, the MANK PEARL COATING also reacts very unsusceptibly.

- no more water rings
- no unappetising grease stains
- increased durability

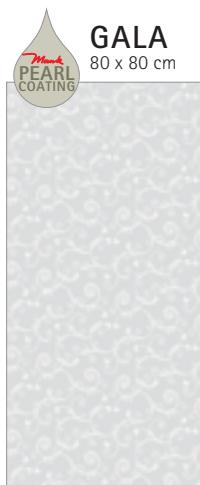

Mank

Sie können sowohl

- A als durchlaufenden Tischläufer verwendet werden
- B als auch in tête à tête Variante da die 40 cm x 24 m lange Rolle
- C alle 120 cm mit einer sauberen Abreißperforation versehen ist.

You can either

- A use them as an end-to-end table runner
- B or in the tête à tête variation because the 40 cm x 24 m long roll
- C is equipped with a clean perforation every 120 cm.

FINE STYLE

Hoher Anspruch mit Zeitgeist.

High demand with zeitgeist.

MANK Tischläufer und Tischbänder sind die echten Renner, wenn es um stilige Tischarrangements mit dem gewissen Pfiff-Zeitgeist geht. Aber auch die klassische Gastronomie setzt die hochwertigen Tischläufer aus MANK LINCLASS AIRLAID zu entsprechenden Gelegenheiten gerne ein.

MANK table runners and table ribbons are the real runner when it comes to stylish table arrangements with a certain zeitgeist pizzazz.

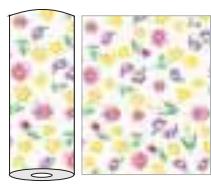

The classic catering industry also likes to use the high-quality table runners made of MANK LINCLASS AIRLAID on the applicable occasions.

MANK SKIRTINGS

*kleiden Ihr Buffet zu einem schicken Event
improves your buffet to a chic event*

Mank Table-Skirtings werden aus unserem hochwertigen Linclass hergestellt und verwandeln jeden Tisch im Handumdrehen zu einer edlen Tafel. Die einfache Anbringung erfolgt mit einem selbstklebenden Streifen, der ein problemloses und schnelles Anbringen und Lösen ermöglicht.

Mank table skirtings are manufactured from our high-quality Linclass and will turn any table into a picture of exquisiteness in a flash. Attachment is simple through the use of self-adhesive strips that make problem-free and quick attaching and removing possible.

Tissue-Deluxe®

MANK TISSUE DELUXE

– der „Stoff“ mit Luxus-Touch.

The “material” with a luxury touch.

Wer in Gastronomie und Hotellerie Wert auf hochwertige Tischaccessoires mit ausgesprochen günstigem Preis-Leistungs-Verhältnis legt, ist mit MANK TISSUE-DELUXE bestens beraten. Die vierlagigen, über die bisherige Randprägung hinaus, komplett in Leinenstruktur geprägten Servietten bieten spürbar höhere Stabilität und stoffähnliche Anmutung. Ein Hauch von Luxus, der sich in Griff und Optik äußert.

For people who value high-quality table accessories in the hotel and gastronomy sector and excellent value for money, the MANK TISSUE DELUXE is the best possible choice. The napkins, which have four layers and which are fully embossed in a linen structure beyond the previous embossed edge, offer tangibly greater stability and a fabric-like feel. A hint of luxury which can be seen and felt.

MANK SOFT STYLE

Tissue-Klassiker für jeden Anspruch.

Tissue classic for all requirements.

Ob feine Details oder kräftige Farben – Servietten aus mehrlagiger Tissuematte sind immer dann die Sieger, wenn das Preis-Leistungs-Verhältnis an oberster Stelle steht. Mit ihrer extrem hohen Saugfähigkeit machen MANK Tissueservietten bei aller „Softness“ immer eine gute Figur.

No matter whether fine details or strong colours – napkins of multilayer tissue wadding are always the winner if the price/performance ratio is of the highest priority. With their extremely high level of absorbency, MANK tissue napkins always have a great appearance, despite their ‘softness’.

13. DECKCHEN COASTERS

Tissue

PERFECT STYLE

*Der feine Unterschied.
The fine distinction.*

Perfektion versteckt sich im Detail.

MANK Deckchen aus extrem saugfähigem Tissue- und Saugstoffpapier, runden mit sorgfältig abgestimmten Servietten und Tischdecken jedes Tischarrangement perfekt ab.

Perfection is in the details. MANK coaster of an extremely absorbent tissue and absorbent paper perfectly round each table arrangement off with carefully coordinated napkins and table cloths.

IMAGE ON THE TOP
MANK DRINKSAFE® CAPS

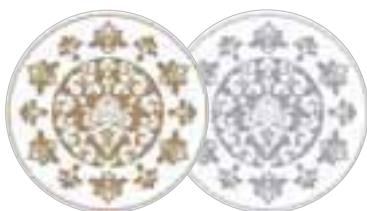

Auf MANK DRINKSAFE® CAPS sollte kein anspruchsvoller Gastronom verzichten. Die hygienischen Caps aus hochwertigem Karton leisten als Schutz vor Schmutz, Viren und Insekten genauso gute Dienste, wie auch als Wärme- und Aromaspeicher für Kaffee und Tee.

No discriminating caterer should dispense with Mank DRINKSAFE® CAPS. The hygienic high-quality cardboard protects from soiling, viruses and insects just as good as it serves as a heat and aroma reservoir for tea and coffee.
